ABOUT US

Royal Group is one of the most successful manufacturing business in Bangladesh. We manufacture various types of products starting from Electronics Items, Plastic Items and as well as Ready made garments. We are operating since 1994. We have total 6 Different types of Industry

OUR HISTORY

The Mother Company was formed in 1994 by our chairman Md Sohrab Uddin all by himself. The name of the Industry was Royal Electric and Chemical Ind Ltd. It produced Ceiling Fan which is known as JAMUNA FAN, One of the leading Ceiling Fan in Bangladesh. Later we started to produce Plastics Items which is known as Jamuna Pipe, Jamuna Water Tank and Jamuna uPVC Fittings. Apart from this we have Developers Business along with a Daily News Paper. At last we started RMG Business.

MISSION & VISION

The aim is to ensure that our product are always safe to consumers and the environment. We will focus and work towards a sustainable socially responsible program. We will empower and enable our employee with successful career enhancement program.
